

LCM-16EX PLC

- 16 entradas, compatible con comunicación RS485 Modbus.

Specification

Item	LCM-16EX
Output circuit	
Input voltage	DC $\pm 24V \pm 10\%$ *1
Input current	5mA/ DC24V
Input ON current	Less than 3.5mA
Input OFF current	Less than 1.5mA
Input response time	About 10ms X0~X7 built-in digital filter, setting time 0 ~ 60ms
Input signal	Contact or NPN or PNP
Circuit insulation	Photo coupling
LED	LED ON when input is ON
CE Certification	CE marked
